EXPERIENCE

Training Manager

2014 – Present

Laughing Planet Cafe

Portland, OR

Responsible for training new employees and providing a safe and accepting work environment for all new employees. Direct skills included communicating expectations of the job and assessing areas of need for each new employee. Other skills include being an excellent teammate, quick problem solving, team building, accountability, and motivation.

Key Accomplishments:

- Trained new employees including new managers.
- Conducted evaluations of training courses to uncover areas in need of improvement.
- Created testing and evaluation procedures to assess performance before, during, and after training sessions.
- Mentored team members to succeed and advance within the department and company.
- Created effective training course objectives, course content, and all materials.
